Energypipe Pvt. Ltd. is a leading manufacturer of PVC pipes and fittings in Bihar, specialising in electrical wiring solutions. Although the brand name is relatively new to the industry, we own 30 years of expertise in the market with the brand name "UNIC". Our journey commenced in June 1991, and since then, we have cultivated a strong reputation based on the unwavering trust and admiration of our valued customers. We remain steadfast in our commitment to delivering exceptional quality products.

Our PVC pipes and Bends are meticulously crafted using premium Polyvinyl Chloride Resin. Which ensures the safety of your home in the event of short circuits, as our Pipes and Bends are fire-retardant.
